

ACEPT

Asian Conference on Energy, Power and Transportation Electrification 2017

ACEPT is part of:

ASIA
CLEAN ENERGY
SUMMIT

24-26 OCTOBER 2017

Sands Expo and
Convention Centre,
Marina Bay Sands
Singapore

Announcement and Call for Papers

The second Asian Conference on Energy, Power and Transportation Electrification (ACEPT) as a part of Asia Clean Energy Summit (ACES) held in conjunction with Singapore International Energy Week (SIEW 2017) will cooperate with the Institute of Electrical and Electronics Engineering (IEEE) to bring together the world leading experts to present emerging topics on energy, power, and transportation electrification. Papers of practical importance are solicited in the following areas:

1. Renewable Energy

- 1.1 Photovoltaic power conversion
- 1.2 Wind power generation (onshore and offshore)
- 1.3 Tidal, wave power generation and other ocean renewables
- 1.4 Solar concentrator
- 1.5 Distributed generation
- 1.6 Power electronics for utility interconnections

2. Energy Storage

- 2.1 Specialty batteries
- 2.2 Super capacitors
- 2.3 Flywheel
- 2.4 Uninterruptible power systems
- 2.5 Power electronics for energy storage

3. Smart Grid

- 3.1 Solid state transformers
- 3.2 Solid state circuit breaker
- 3.3 Smart grid communication
- 3.4 Microgrid interoperability
- 3.5 AC, DC and hybrid AC/DC micro grids
- 3.6 Medium voltage DC transmission and distribution
- 3.7 Smart house and building technologies

4. Transportation Electrification

- 4.1 Electric vehicle propulsion
- 4.2 Railway drivetrains
- 4.3 Ship Electrification
- 4.4 More electric aircraft
- 4.5 V2G and V2H
- 4.6 Charging technologies
- 4.7 Charging infrastructure

5. Emerging Technologies

- 5.1 Wireless charging
- 5.2 High efficiency energy harvest
- 5.3 Wide bandgap device for electrification applications

6. Renewables, Policy & Financing

- 6.1 Business models and policies
- 6.2 Government initiatives and incentives
- 6.3 Market opportunity in Southeast Asia

7. Multi Energy Grids and Low Carbon District

- 7.1 Multi energy grids
- 7.2 Low carbon district

Deadline for submission of full paper is 1 June, 2017.

Authors will be notified of acceptance no later than 15 July, 2017.

Final paper manuscripts are due no later than 15 September, 2017.

Preparation of Full Paper: Prospective authors of technical papers are asked to submit a full paper of their planned presentation. Full papers for ACEPT 2017 must be submitted in electronic format no later than 1 June, 2017. Authors are requested to download and fill in the Full Paper template ([Word format - A4, US Letter](#)) with details of the primary contact and presenter. For details, please visit <http://accept.asia>. All authors should obtain company and governmental clearance prior to submission of the Full Paper. Full Papers will be sent to multiple reviewers; therefore, "Confidential" and "Proprietary" information should be omitted.

Please note that papers presented at ACEPT must be original material and not have been presented at previous conferences or previously published. Manuscripts not received by the deadline above may not be published in the Proceedings and will not be presented at the conference. Finished manuscripts exceeding six pages will be subject to publication page charges.

ACEPT 2017 Organizing Committee

General Chair	Jason Lai	Publicity Chair	Koh Liang Mong
General Co-Chair	Lalit Kumar Goel	Publicity Co-Chair	Liaw Ai Tee
Technical Program Chair	Josep Pou	Tutorial Chair	Tang Yi
Technical Program Co-Chair	Gooi Hoay Beng	Tutorial Co-Chair	Vaisambhayana Brihadeeswara Sriram
Technical Program Co-Chair	Narasimalu Srikanth	Local Arrangement Chair	Anshuman Tripathi
Assistant Technical Program Chair	Choo Fook Hoong	Local Arrangement Co-Chair	Jin Chi
Financial Chair	Niels de Boer	Web Master	Bill Diong
Financial Co-Chair	Koh Leong Hai Marcus	Conference Administrator	Yvonne Loh
Publication Chair	Abhisek Ukil		

A peer review process will be used to evaluate all papers submitted for consideration. Anyone interested in becoming a reviewer is encouraged to email ACEPT@ntu.edu.sg. The principal criterion in reviewing papers for acceptance will be the usefulness of the presentation to the practicing power engineering professional. The reviewers value evidence of completed experimental work.

ACEPT 2017 is technically co-sponsored by IEEE Transportation Electrification Community, Power Electronics Society, and Power and Energy Society.
