

# IEEE IFEEC 2021

## IEEE International Future Energy Electronics Conference

### Dear Representative:

The IEEE International Future Energy Electronics Conference (IFEEC 2021) is sponsored by Taiwan Power Electronics Association (TaiPEA) and IEEE Power Electronic Society (PELS), providing a forum for device scientists, circuit designers, and application engineers to share technology updates, research findings, development experience, and application knowledge of Power Electronics Technologies. IEEE IFEEC 2021 will be held in Taipei, Taiwan, hosted by National Taiwan University.

Topics that will have covered are listed below:

- *Power Converting Technologies*
- *Renewable Energy and Applications*
- *Transportation Electrification*
- *Motor Drives*
- *Devices and Components*
- *Smart-Grid Technologies*
- *Emerging Technologies*

We need your assistance and enthusiasm to make this a successful conference. Please see the attached form to know how you can help contribute to the conference and our community. If you have any questions regarding on sponsorship, please does not hesitate to contact me at [ntuymchen@ntu.edu.tw](mailto:ntuymchen@ntu.edu.tw).

Sincerely Yours,

Prof. Yaow-Ming Chen, IEEE Fellow  
General Chair, IEEE IFEEC 2021  
Editor-in-Chief, IEEE Trans. on Power Electronics  
Distinguished Professor, National Taiwan University, Taiwan
